

REMARKS

Upon entry of the present Amendment, claims 5 and 14 will have been amended, claims 16-20 will have been added, with claims 1-20 pending before the Examiner. Applicant notes that claims 16-20 generally correspond to allowed original claims 1-2, 5-6 and 8, but recite, *inter alia*, a digital camera having a body. Applicant further notes that claims 5 and 14 have been amended to correct clerical errors therein, by changing “retractable” to ---retracting---, and is not intended to narrow the scope of the claims. Accordingly, this amendment should not be considered a decision by Applicants to narrow the claims in any way. Applicant thus respectfully requests entry of the herein-contained amendment.

Should the Examiner have any questions or comments regarding this Submission, or the present application, the Examiner is invited to contact the undersigned at the below-listed telephone number.

Respectfully submitted,
Hiroshi NOMURA
